business & BRANDING SESSIONS

-get in touch for a personalised quote-

a branding photoshoot is a customised photoshoot where you receive an array of professional images that showcase you, your business, and your personality.

- prices range from \$200 to \$800 -

whether it's just a handful of headshots or if you would like me to spend a few hours with your business to capture your team and the services you provide

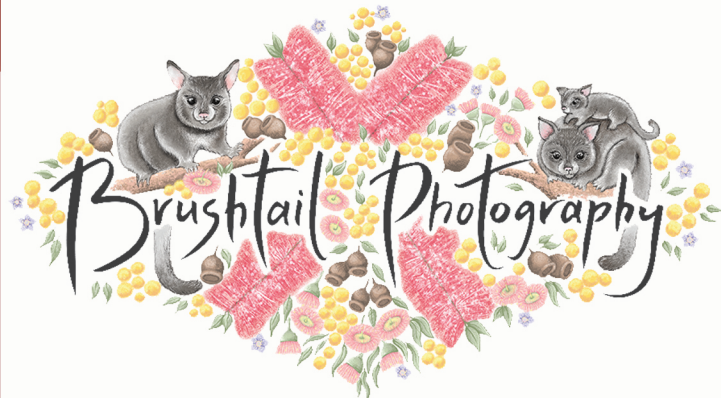

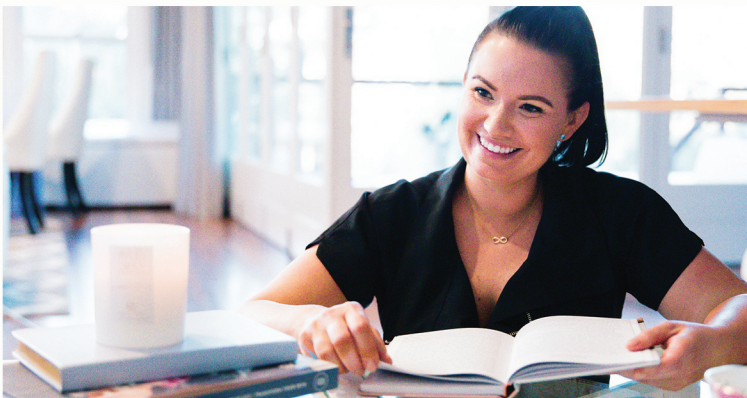

- a package can be tailored to suit your needs!

includes:

a variety of high resolution digital images
all images will have standard edits & adjustments
(exposure, warmth, contrast, sharpening/clarity,
cropping/straightening, HSL colour & saturation)
online gallery to view/share/download your images

extras:

airbrushing by request from \$10/image
open to bartering and negotiating payment plans!
